

G2 Blade Stick-Off

Safe Way to Stick a Blade

The G2 Blade Stick-Off is carefully designed from soft poplar allowing the tip to effectively remove debris from the doctor blade without damaging cylinders.

Features and Benefits

- Hand-crafted from soft poplar, the G2 Blade Stick-Off is strategically bent to allow for optimum accessibility and flexibility, reducing potential cylinder damage.
- **Effectively removes damaging particles from roll cells that would otherwise result in costly print defects.**
- Soft poplar tip sharpens by hand or pencil sharpener for extended life.
- **Measuring 18" in length, safe distance ensures that operator is safe from tip point.**
