SAFETY + FIRST®
Doctor Blade Gloves

Protect Your Greatest Asset

Our Safety + First® Doctor Blade Gloves are designed specifically for use in flexographic and rotogravure pressrooms. They are a great asset for safely handling both steel and plastic doctor blades meeting international standards for ANSI L3 cut resistance.

They have been developed to provide both safety and dexterity needed in today's presroom. They are perfect for helping to protect operators against cuts and reducing exposure to harsh pressroom chemicals - front and back.

Standard Features

- ANSI L3 cut resistance when handling both steel and plastic doctor blades.
- Protects hands from exposure to harsh pressroom solvents, front and back
- Improves grip when handling greasy or slippery objects.
- Soft and comfortable for extended use.
- Available in sizes M(09), L(10), XL(10)
